

West of Scotland School of Anaesthesia

Final FRCA Revision Course

This course runs over 9 weeks at Post Graduate Centre, St Mungo Building, Glasgow Royal Infirmary each Monday morning from 8.30am until 12.30pm. You should have completed significant study for the Final FRCA as this will concentrate on exam technique, practice and feedback. Candidates are expected to attend every week and to provide feedback on a weekly basis. Places are limited and will be allocated by the faculty. The course has the approval of the programme director to be deducted from individuals study leave budget. You should apply for 9 half days of study leave as soon as possible. Applications are only accepted in May and November. Further information on WOSSA website www.jet5.com/wossa and the Education tab.
