

CONTACT INFORMATION

Chronic Pain services in Glasgow are based in 2 sites- The New Stobhill ACH in the North and The New Victoria ACH in the South. There are also services in Lanarkshire, Forth Valley, Clyde and Ayrshire which you may be scheduled to attend.

We have close links with paediatric pain services at the Royal Hospital for Children, QEUH campus, and palliative care services both at the Beatson West of Scotland Cancer Centre and hospices in the Glasgow area.

If you are scheduled to attend a specialist clinic or a pain clinic outwith Glasgow, please email or call to confirm your attendance in advance.
